David Angus, the President of Capital Hill Group, is lobbying Ottawa on behalf of G4S Secure Solutions. This is a security company that also is involved in intelligence gathering, and running detention centers, among other things. See this article for background information. There is more than meets the eye.

List of Public Offices Held

Position	Period Held	Last Date Designated Public Office Held
Caucus Liaison House of Commons, Prime Minister's Office	May 1985 to May 1987	Not a designated office

The President of CHG, David Angus, worked in the Prime Minister’s Office when Brian Mulroney was PM. Admittedly, this is rather strange. G4S has 24 registrations filed with the Office of the Lobbying Registry since 2015, but has made only 1 communication with public officials in that time? Right….

2. CHG Lobbying Ontario For G4S

Lobbyist	Last Amendment Date	Client Name	Company/Organization	Lobbyist Type

Kenneth Stewart	04/19/2011	G4S Secure Solutions (Canada) Ltd.	The Capital Hill Group Inc.	Consultant Lobbyist

It seems that Capital Hill Group has been lobbying Ontario for work as well. Currently, Ontario is run by Doug Ford. This man calls himself a “conservative”, despite stripping people of their livelihoods.

3. CHG Lobbying British Columbia For G4S

Target Type	Name	Title or Constituency	Date Added
Minister	Bains, Harry	Minister of Labour	March 26, 2020
Staff of Minister	Douglas, Andrew	Minister of Public Safety and Solicitor General	March 30, 2020

Staff of Minister	Sanderson, Melanie	Minister of Public Safety and Solicitor General	March 30, 2020
Staff of Minister	Smith, Jessica	Minister of Attorney General	March 26, 2020

Yes, this dates back to March, but Erin Iverson did meet with officials in B.C., on behalf of G4S. The company “is a major provider of security services in Canada and around the world”.

Chief of Staff
Ministry of Education, Government of Ontario
May 2006 – Nov 2007 · 1 yr 7 mos
Senior political advisor to the Ministry of Education. Managed staff of 20 policy, communications and political advisors. Principal responsibilities: stakeholder relations; senior conduit to central agencies and educational organizations; senior political strategist.

Business and politics have been the cornerstone of Ken's career for over 40 years. ***Ken got his start by answering mail in Pierre Trudeau's office***. He then went on to play a key

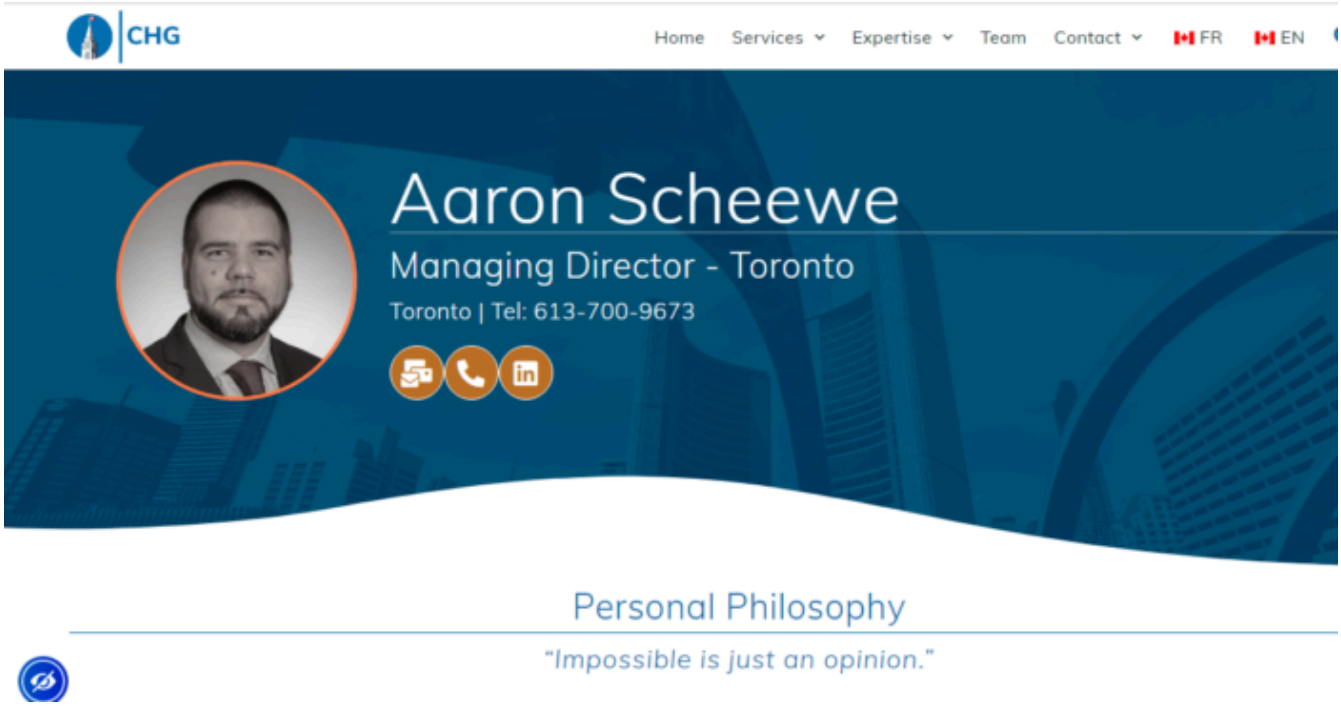
communications role in the Trudeau Government's "6&5" anti-inflation campaign under Finance Minister Marc Lalonde, and, later, travelled to every Ontario town, village and hamlet as ***Special Assistant to Ontario Premier David Peterson***.

In 2003, as Director of Sales for Advanced Utility Systems Corporation, a highly successful software firm in Canadian and U.S. energy markets, he built upon his earlier career successes and continued to accumulate substantial sales achievements. He then returned to Queen's Park as ***Chief of Staff to the Minister of Education in 2006,*** where he was responsible for staffing, briefings and stakeholder relations.

Based in CHG's Toronto office since 2007, Ken leads a highly successful lobbying practice where his business and politics experience has guided clients through regulatory, legislative and procurement challenges. His insight and perspective into technology and government sales markets have earned him an outstanding reputation as one of Ontario's top procurement lobbyists.

Stewart has extensive connections to Liberals, both Provincially and Federally. That these ties date back to the eighties.

6. Aaron Scheewe, CHG Managing Director



Aaron spent over a decade in Ottawa working in Parliament, holding senior positions within the ***offices of the Right Honourable Stephen Harper, former Prime Minister of Canada*** and several of his Cabinet colleagues including the ***Honourable John Baird, the Honourable Tony Clement and the Honourable Gary Goodyear***.

During his time in Ottawa ***Aaron to contributed to key government files including the significant international crises*** in Afghanistan (2008/09), Libya and Syria (2011/12), helping to manage large pockets of stimulus funding under Canada's Economic Development Action Plan (2009-11) and setting-up the first suite of programs for the billion-dollar Federal Economic Development Agency for Southern Ontario. Aaron also helped the government become more streamlined in its processes by playing a key part in the ***Deficit Reduction Action Plan that saw billions in ongoing savings during the Conservative Party of Canada?s 2011-15 majority government***.

Aaron Scheewe has long and extensive ties to the Conservative Party of Canada. He has actually been part of Harper's Government.

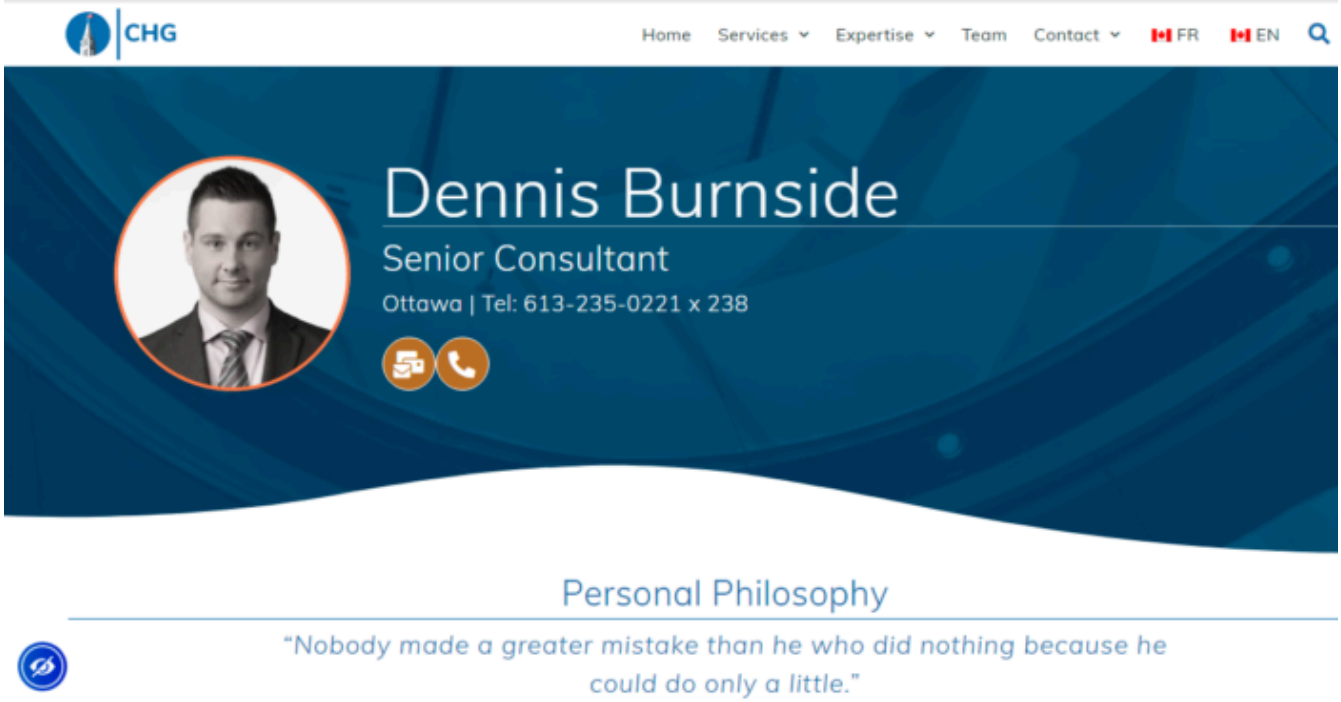
In 2013, Jonathan Ballingall, as a member of the Office of the Minister of Foreign Trade, was lobbied to set up a Canadian Branch of the China Construction Bank.

Is he related to Jeff Ballingall of Canada Proud and Ontario Proud? Those groups helped install Erin O'Toole and Doug Ford to their current positions. Or is this just a bizarre coincidence?

12. Dennis Burnside, CHG Senior Consultant



Dennis is an experienced political strategist and public policy expert who leverages more than a decade of experience gained in ***previous roles within federal and provincial governments*** to provide strategic advice and targeted engagement strategies to clients.

Prior to joining CHG, Dennis worked as the ***senior political advisor to the Minister of Indigenous and Municipal Relations in the Government of Manitoba***, before assuming a position as a ***Project Manager at the Priorities and Planning Secretariat of Cabinet*** where he helped usher major government priorities from the policy development phase through to implementation.

Dennis also worked as a ***political strategist on Parliament Hill, serving elected officials in a variety of areas*** including committee preparation and management, legislative development, research, strategic communications and community-level engagement.

He has served in variety of election campaign roles as well, including as a ***campaign manager, at both the provincial and federal levels in Manitoba, Alberta, and Ontario***.

Interestingly, G4S Security "isn't" listed in the Manitoba Lobbying Registry, but was still able to land a bid back in November. However, this may explain it, as Dennis Burnside has held roles within the Manitoba Government. Perhaps he decided to call in a favour?! He has also worked for Alberta, Ontario, and Federally.

Some developments on G4S Security itself: On December 8, 2020, it was announced that Allied Universal (a U.S. company) would be purchasing G4S (a British Company). Allied itself was bought out by the Blackstone Group in 2008. Blackstone is a very large investment firm based out of New York. Without going into too much detail, it's a huge.

> The Right Honourable Brian Mulroney
> Former Prime Minister of Canada
> .
> The Right Honourable ***Brian Mulroney is a member of the board of directors of Blackstone***. Mr. Mulroney is a senior partner and international business consultant for the Montreal law firm, Ogilvy Renault LLP/ S.E.N.C.R.C., s.r.l.
> .
> Prior to joining Ogilvy Renault, Mr. Mulroney was the eighteenth Prime Minister of Canada from 1984 to 1993 and leader of the Progressive Conservative Party of Canada from 1983 and 1993. He served as the Executive Vice President of the Iron Ore Company of Canada and President beginning in 1977. Prior to that, Mr. Mulroney served on the Clich'e Commission of Inquiry in 1974.
> .
> Mr. Mulroney is a ***member of the Board of Directors of Archer Daniels Midland Company, Barrick Gold Corporation, Quebecor Inc., Quebecor World Inc., the World Trade Center Memorial Foundation and Wyndham Worldwide Corporation***.

As an added bonus, Brian Mulroney, the former Prime Minister of Canada, is on the Board of Directors of Blackstone Group.

14. What Does This Mean For Canada?

The Blackstone Group (through Allied Universal) owns G4S, the company that Brian Pallister hired to police parts of Manitoba. This was “in the name of safety”, of course. What if Pallister decides that G4S needs to detain and imprison people — which they have done professionally? What if they run intelligence and surveillance on Manitobans? See the previous piece.

Depending on how aggressive the lobbying is, more parts of Canada could end up like this. But hey, it’s all about fighting a virus, right?

Scary times.
